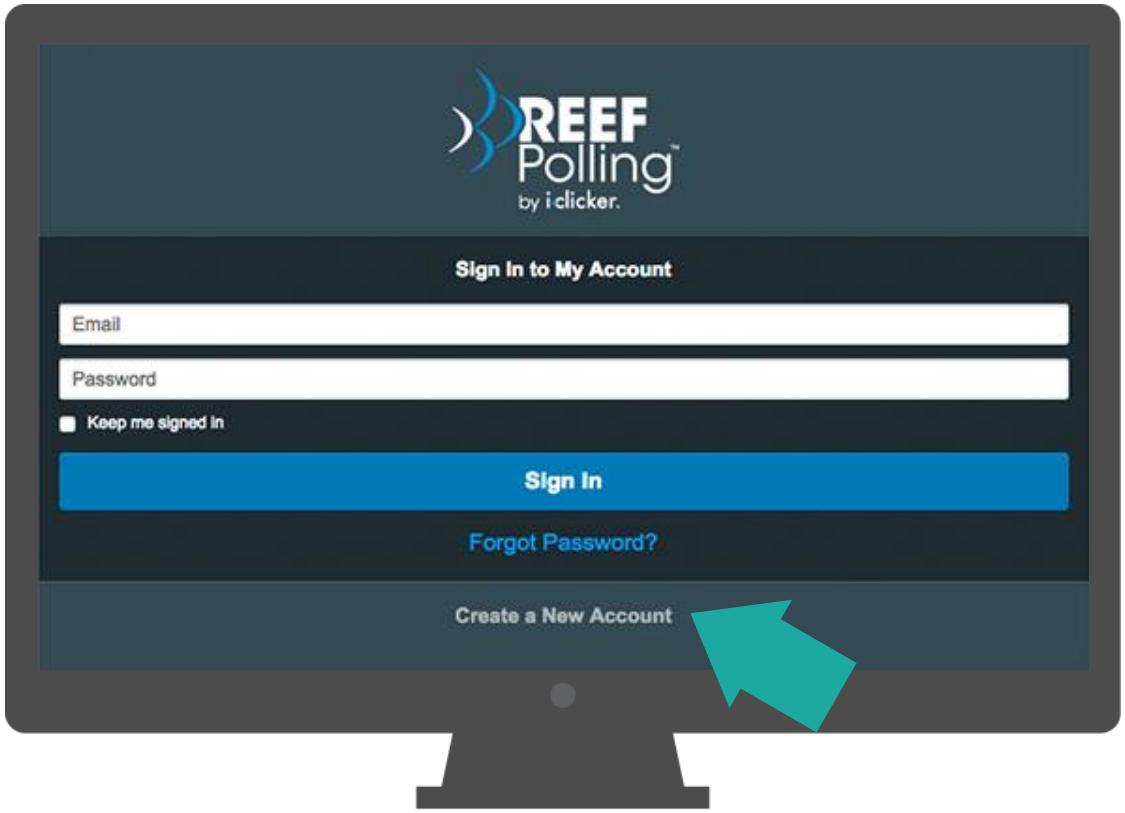
REEF Polling

Setting up REEF: REEF Web



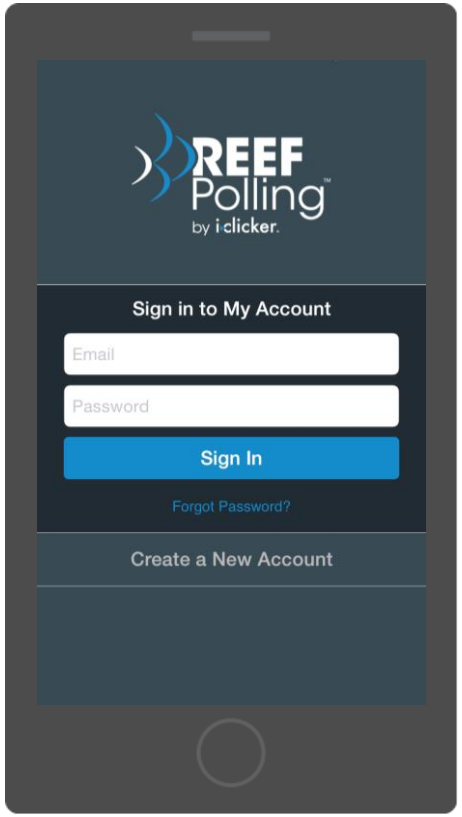
IMPORTANT: Only create and use one REEF account. Creating multiple accounts may result in the loss of grade points.

Go to www.app.reef-education.com.

If you've used REEF before, login.

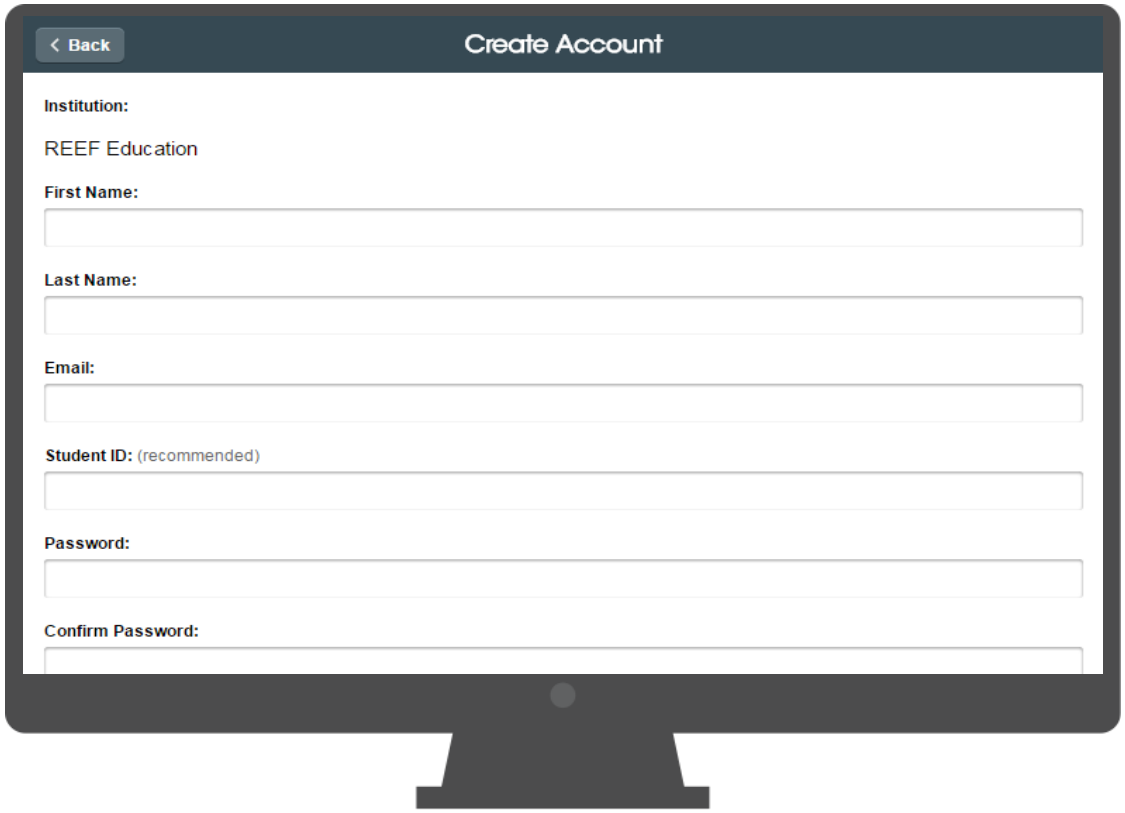
If you are new to REEF, click on the "Create a New Account" link.

Setting up REEF: REEF mobile app



If you want to use your mobile device to vote, you can download the mobile app from the Apple or Google app stores.

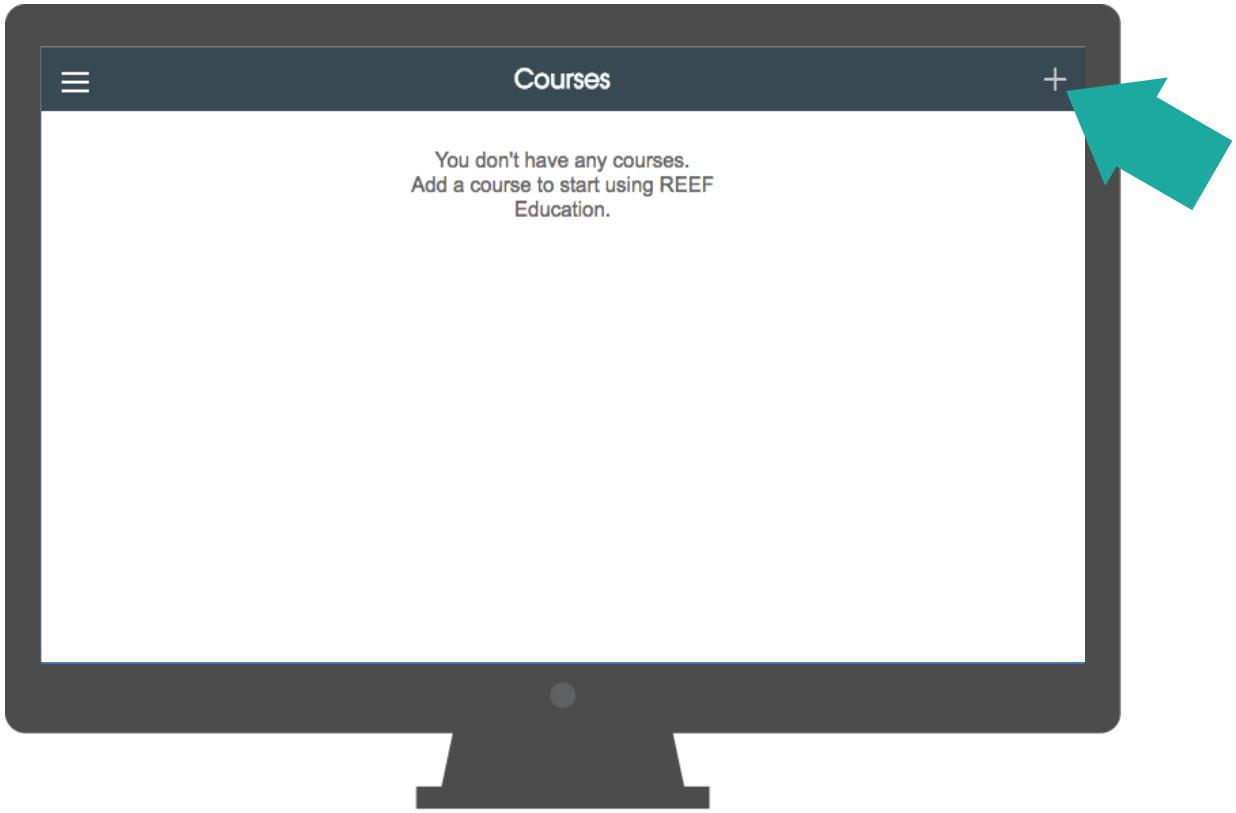
Setting up REEF: Create a New Account



Select your institution, then enter your information.

Please use your university email and your student ID.

Setting up REEF: Add our course



Go to the courses list and click the "+" button to add a course

Setting up REEF: Sign In.

Sign in by entering your Brock email address, not your Student ID.

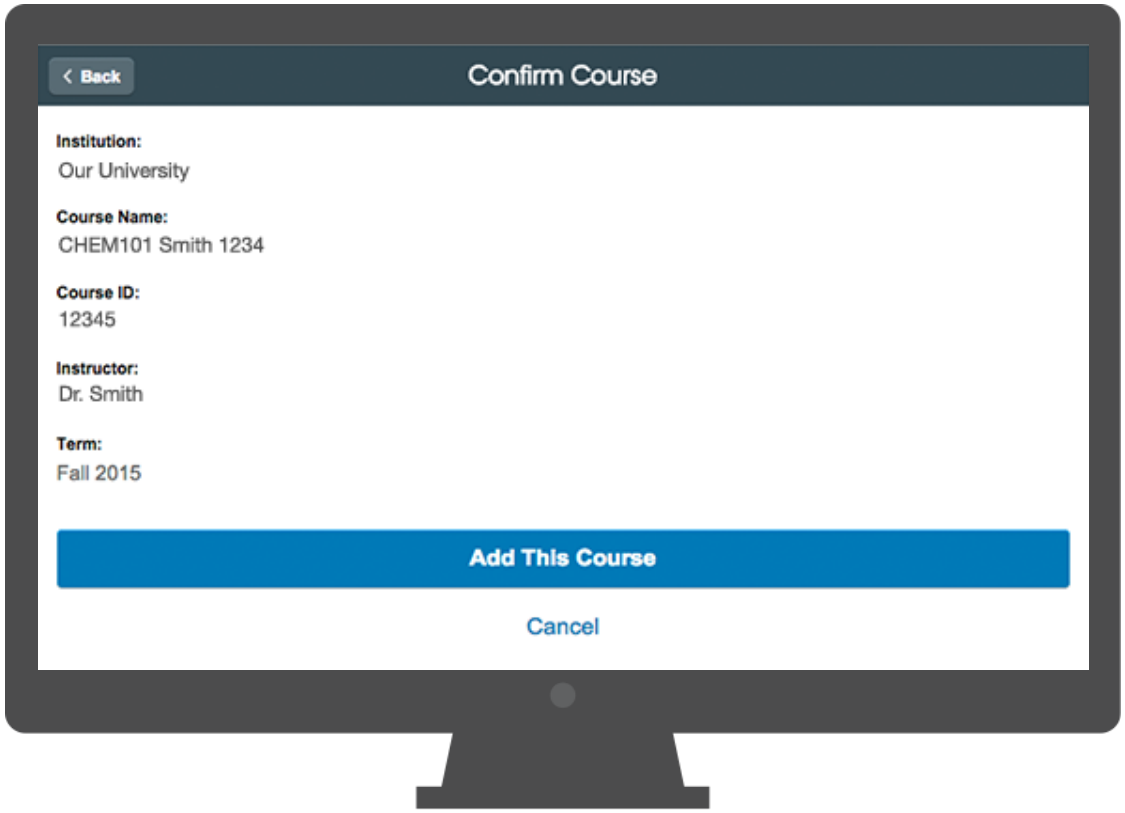
Setting up REEF: Add this course

Search and select **BROCK UNIVERSITY**

Setting up REEF: Add this course

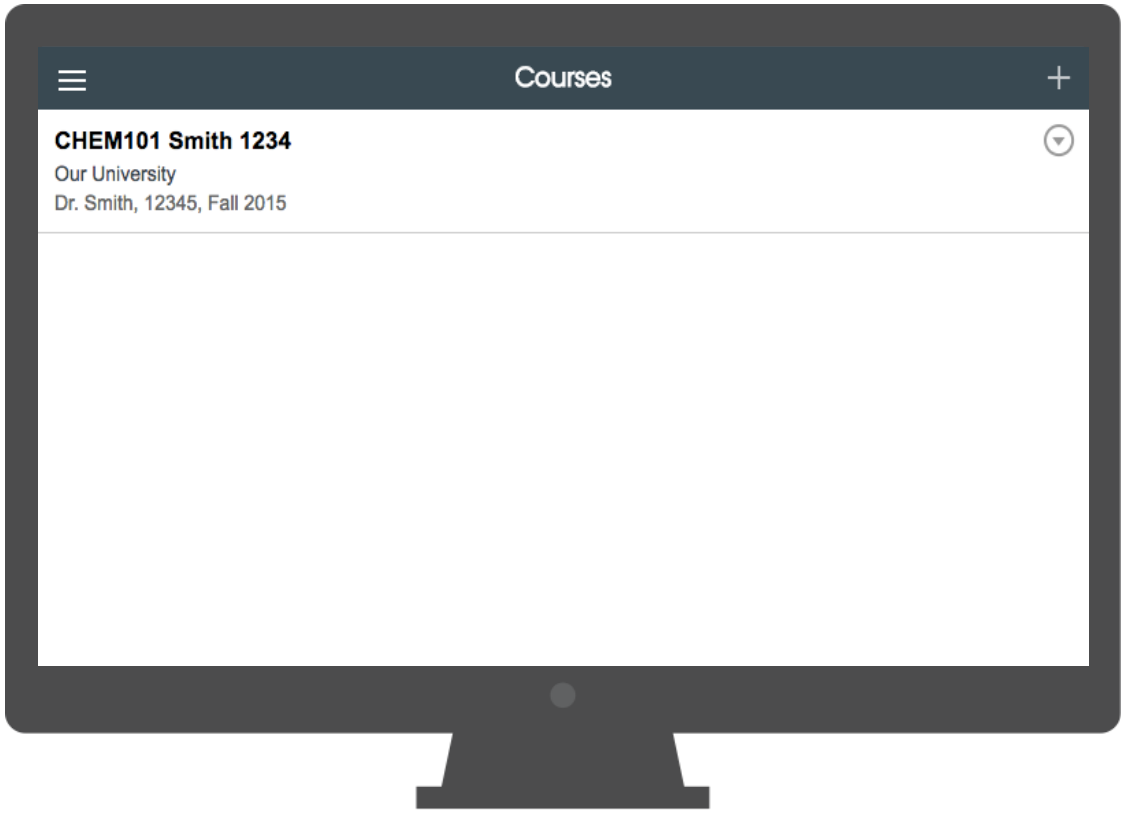
Search and select **[PHYS 1P21/1P91SP2017].** Be careful **NOT** to select the FW2016 course, which was active last fall. If you have difficulty, it may also help to search on your instructor's name, Santo D'Agostino.

Setting up REEF: Add this course



Confirm this course by clicking "Add this Course"

Setting up REEF: Check your Courses list



Our course should be added to your Courses list.

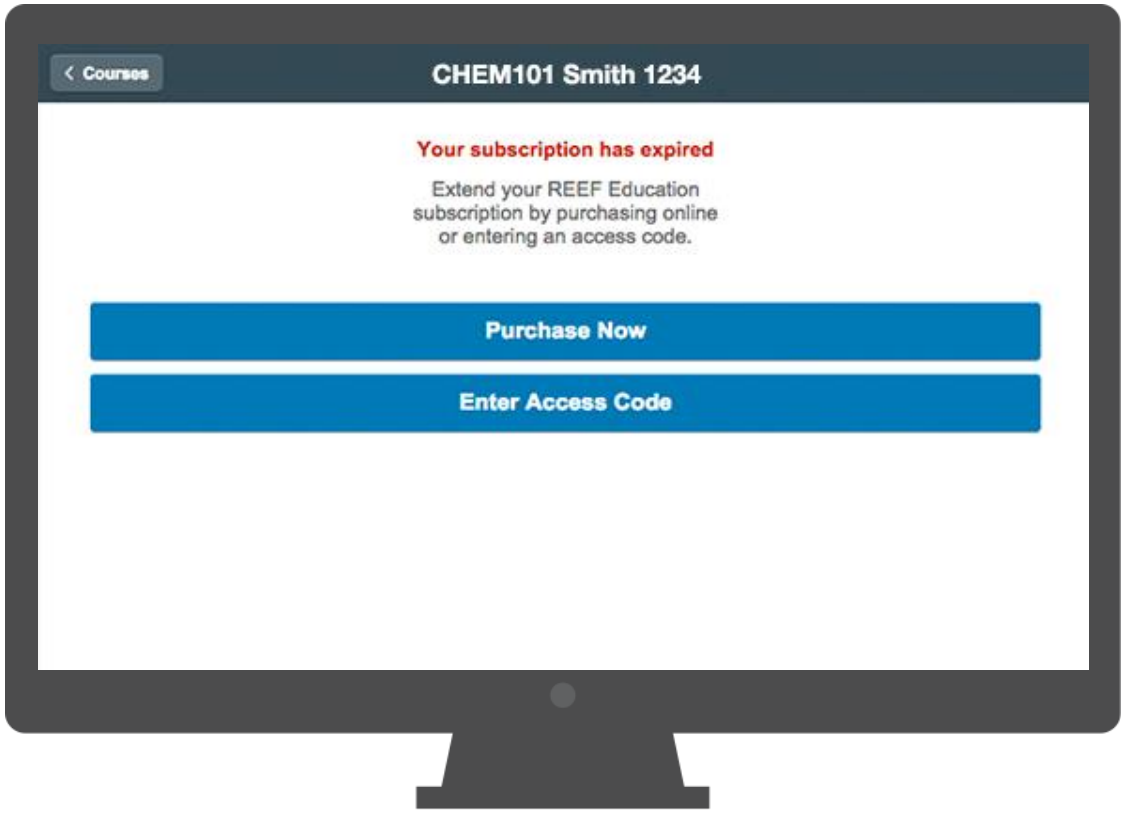
Setting up REEF: Join the poll

When our class is in session, hit the “Join” button to participate in the poll.

Setting up REEF: Session History

The session history will capture the questions and your vote from class. You can use this as a study guide.

Setting up REEF: Subscription Expired



After 14 days, your free trial will expire and you'll need to purchase an access code from your bookstore.
